To speed advances in breast cancer detection, treatment and survivorship, Play for P.I.N.K. (Prevention, Immediate diagnosis, New technology, Knowledge), a 501(C)(3) charity, supports thousands of volunteers nationwide as they raise funds for research through sporting and lifestyle events. Their efforts raise over \$4.5 million annually — and 100% of that goes to the Breast Cancer Research Foundation to fund the world's leading cancer researchers.
