For 27 years Edgewood Country Club has proudly hosted Play For P.I.N.K. (Prevention, Immediate Diagnosis, New Technology and Knowledge). Established in 1990, Play For P.I.N.K., a 501 (C) (3) charity is a grassroots organization supporting lifestyle events including golf and tennis tournaments, card parties and other fundraisers.

Play For Pink donates 100% of its proceeds to our sole beneficiary, The Breast Cancer Research Foundation® (BCRF) founded by Evelyn Lauder. Our mission is to fund clinical and genetic research into the causes, cures and treatment of breast cancers. Each year PFP brings an estimated 30,000 women, men and children to help in the fight against this deadly disease.

In 2022, PFP donated 5 million to BCRF, which will fully fund a minimum of 24 of the grants awarded by BCRF to the best and brightest scientists from top centers across the United States and in Canada, Latin America, Europe, the Middle East, Australia and China. Since 1996 Play for P.I.N.K. has contributed 75 million to the Breast Cancer Research Foundation.
